Training & Induction Video Package

Wood, paper, cloth, plastics, rubber, coal, carbon based compounds

Compliance laws and common sense demands that a consistent training and induction message is delivered across the whole company with nothing forgotten or altered. Video is easily the most accurate and cost effective way to deliver to a large and geographically diverse audience, and makes sound financial sense.

Training & induction videos distributed on-line or via disk insures compliance because your message is always viewed in exactly the same manner and all points are covered every time

Training & Induction video package includes :

- Pre-production interview & video planning
- Script co-writing with client & subject expert,
- Use of teleprompter/autocue,
- Up to 3 days HD video location or studio shooting,
- Voice over production music,
- Graphics

The Fixed price package covers

- 1 day Script writing
- Up to 4 days day shoot,
- 3 days edit,
- 1 day adjustments
- Final delivery : Online, DVD or CD
- * Travel and purchased footage extra

Terms

- Turnaround normally 21 business days,
- All prices inc. GST
- Payments
 - \$400 on order,
 - \$2000 on shooting,
 - \$2000 on edit completion,
 - Balance on completion
- * Travel outside Brisbane /Cold Coast metro extra

The true power of training or induction videos, is it's ability to show them not just tell them.

At least 50% of the time/budget should be set aside for collection of b-roll or secondary footage.

Extras

We recommend considering extra crew members when utilising things like green screens, cranes and dolly shots, where two people can get the job done in a third the time, save you money and actually let you get more footage in the can
